The Baltic Sea Region
Green . Bio . Health . Valleys

Eco4Life - South Baltic Network for Environmental and Life Sciences to Boost Cross Border Cooperation

Life Sciences Baltics 2012

The registration to the international Life Sciences Baltics 2012 forum, which consists of a Conference, B2B Partnership Event, and Exhibition, will be held in Vilnius, Lithuania on September 12-14, **is now open**.

The 3-day event will bring together major players of the Baltics' life sciences industry and leading global stakeholders in the field. It will foster international cooperation by creating a vibrant platform to share and gain knowledge, ideas, and hands-on experience.

Please find more information about the forum in the attached Invitation and Supplementary information file, and visit the Life Sciences Baltics 2012 webpage: www.lsb2012.com

and feel free to contact the organizers of this unprecedented and largest event of its kind in the Baltic States by e-mail at info@lsb2012.com.

The 9th Call for Proposals

The 9th Call for Proposals will be opened: 13 August - 28 September 2012. The call is open for projects in Measure 2.4 (Local community initiatives) only, with up to 1,3 mln Euro available.

Further details can be found at: http://en.southbaltic.eu/news/?lang_id=2&id_news=894

11th ScanBalt Forum

Registration is now open for ScanBalt Forum 2012, to be held **November 20-23** in Tampere, Finland at Tampere Hall, Scandinavia's largest Congress and Concert Centre.

The event brings together key figures in biotechnology and life sciences representing the 11 countries of the ScanBalt BioRegion. ScanBalt Forum provides an invaluable platform for collaboration and international networking, fostering the innovation and competitiveness of the region. This year the key topics and project sessions will be the following:

- The new EU Programming Period 2014-2020 and the EU Strategy for the Baltic Sea Region – EUSBSR Flagship on innovation, clusters and SME networks – BSR Stars
- BioLifeScience cluster collaboration with Russia
- ScanBalt Health Region – the Health Flagship in the EUSBSR
- ScanBalt Biomaterials and Tissue Engineering Days
- Projects: BSHR HealthPort, Submariner, Eco4Life, Hicare/Baltic Amber

11th ScanBalt Forum is hosted jointly by the Baltic Institute of Finland, Tampere University of

Technology, Department of Biomedical Engineering and BioMediTech.

Visit <http://www.baltic.org/scanbaltforum2012/> to register now and take advantage of our **early bird rates (in effect through July 15)!**

Part-financed by the European Union
(European Regional Development Fund)
