

Cross-border Cluster Development

- Component 5 -

Dr. Gudrun Mernitz, BioCon Valley GmbH

Klaipeda University, Lithuania, November 19th, 2010

Eco4Life – Components of the Project

- 1 Management and Coordination
- 2 Communication and Dissemination
- 3 Establish “Eco4Life” Contact Points and Local Valley Agenda
- 4 Training and Project Incubation
- 5 Cross-border Cluster Development

Cross-border Cluster Development - 1

- **Activities**
 - Establish **International Advisory Board**
 - Organise 3 annual **International Meetings**
 - Organise 2 **study tours** to South Sweden (Lund/Malmö) and one of the top US life science clusters
 - Develop “Eco4Life cross border agenda” as a **proposal for** implement project results into flagship project "**Baltic Sea Health Region**" within EU Baltic Sea Strategy

Cross-border Cluster Development - 2

- Establish **International Advisory Board**:

Already accepted:

- Bo **Samuelsson**, Prof., MD;
Göteborg Univ., **SE**, Centre for Environment and Sustainability

- Peter **Adolphi**; Prof.;;
Idea e.V., **DE**, Association environmental companies

- Erik **Bonsdorff**, Prof.;;
Åbo University, **FI**; Environmental and Marine Biology

- Tadeusz **Pietrucha**, Prof.;;
Lodz, **PL**, Bio-Tech Consulting Ltd., Life Science, Entrepreneurship

Cross-border Cluster Development - 3

- Establish **International Advisory Board**:

still in decision:

– Anita **Plantikow**, Dr.;

Kessin/Rostock, **DE**, Environmental protection services

– Leo **Grinius**, Dr.;

Vilnius, **LT**, Lithuanian Biotechnology Association and Institute of Biotechnology

Fredrik **Gröndahl**, Prof.;

Stockholm, **SE**, Royal Institute of Technology, Industrial eco

Cross-border Cluster Development - 4

- **International Meetings:**
 - **Kick off** project meeting, Greifswald
 - "**Project Launch**", Klaipeda 2010 (resp. KU)
 - International Advisory Board - meetings **twice a year**
 - "**ScanBalt Forum**" (resp. BCV) , September 2011
 - ScanBalt Press Tour, 19./20.09.2011
 - ScanBalt Academy, 21.09.2011
 - SB Forum 2011, 22./23.09.2011
 - **Final** project meeting; 2013 "Final Conference" (resp. PAM)

Cross-border Cluster Development - 5

- **Study tours**
 - South Sweden 2011
 - Lund & Malmö
 - US 2013
 - Boston *or*
San Francisco *or*
Research Triangle Park NC
 - Bio convention

Cross-border Cluster Development - 6

- Develop **proposal** for implement project results into projects within EU Baltic Sea Strategy
 - represent the docking point to national and international network organisations
 - develop and create the “Eco4Life” region to an internationally visible cross border cluster
 - recommendations on how to foster the regional development in environmental and life sciences
 - establishing exchange of best practice experiences and tools between the regions
 - jointly promoting this region internationally on conferences and fairs
 - identify regional bottlenecks and missing links

Thank you!
